

## BRIEFING LIVE – (UN)CONFERENCE PROGRAMME –

<b>9.15am- 10.00am</b>	<b>BREAKFAST AND NETWORKING</b> Grab a coffee and croissant, and reconnect with your peers!
<b>10.00am- 10.20am</b>	<b>WELCOME AND ICE-BREAKER</b> <i>Richard Brent, editor-in-chief, Briefing</i>
<b>RE-IMAGINING OUR INVESTMENT IN OPERATIONS AND THE WORKFORCE</b>	
<b>10.20am- 10.35am</b>	<b>LIGHTNING TALK – HARNESSING POTENTIAL IN OUR NEW ECONOMY</b> What is the real potential for sustained growth in our current economic climate? What are the biggest risks from marketplace and geopolitical disruption? Chief economic adviser Vicky Pryce will explore global economic trends and their impact on social cohesion and all businesses – firms and clients alike. <i>Vicky Pryce, chief economic adviser, Centre for Economic and Business Research (CEBR)</i>
<b>10.40am- 11.35am</b>	<b>WORLD CAFÉ – COLLABORATING TO FUTURE-PROOF OUR FIRMS</b> From navigating the war for talent to dealing with salary inflations, catering for people’s wellbeing to enabling social mobility, those big challenges of today can only be solved through gaining new perspectives, exploring untapped potential and sharing fresh ideas. This session is a safe space designed to allow for meaningful conversations to collaboratively imagine the workplace of tomorrow. Inspired by the world café concept, you’ll be exploring in small groups what matters most to you, sharing experiences with your peers and exploring new possibilities, together.
<b>11.35am- 11.50am</b>	<b>ROUNDUP</b>
<b>11.50am- 12.20pm</b>	<b>MORNING REFRESHMENTS... AND MAKE YOUR VOTE COUNT!</b>

TOOLING UP TO CREATE LASTING CHANGE	
12.20pm-1.30pm	<p><b>RAPID-FIRE THINKING HATS WORKSHOP</b></p> <p>Choose and explore one of your top-of-mind problems with your peers, and as a team, come up with solutions to this challenge! This fast-paced problem-solving session is all about sharing pain points and potential solutions through cross-functional collaboration and knowledge sharing. Be ready to think differently: in turn, your group will be wearing ‘thinking hats’ (a technique that helps teams to look at problems and situations from a variety of perspectives and to move outside habitual ways of thinking) to come up with valuable and practical solutions by the end of the session.</p>
1.30pm-2.30pm	<p><b>LUNCH BREAK</b></p>
2.30pm-2.50pm	<p><b>LIGHTNING TALK – LAW FIRMS AND THE ENVIRONMENT: THE COLD REALITIES OF A WARMING WORLD</b></p> <p>Duncan Eadie has travelled to the ends of the Earth – to the Arctic and Antarctic. He has stood at two North Poles, skied across the world’s second largest icecap and climbed Europe’s highest mountain. In this thought-provoking and motivational talk, Duncan will draw upon his personal experiences, alongside a 20-year career in legal as an IT director, to explore the importance of resilience, endurance and purposeful leadership in the face of one of the most urgent challenges of our time: climate change.</p> <p><i>Duncan Eadie, technologist and polar explorer</i></p>
PURPOSE – PEOPLE – PLANET – POTENTIAL – PERFORMANCE – PIONEERING	
2.50pm-3.50pm	<p><b>STORY-SWAPPING AND IDEAS EXCHANGE</b></p> <p>This free-flowing session is the opportunity to exchange (good and bad) stories. Pick a theme and join your peers to explore what it will really take to nail hybrid working. This is your chance to glean useful tips through new connections in safe and candid conversations.</p>
3.50pm-4.05pm	<p><b>ESPRESSO... AND STEPPING INTO THE FUTURE</b></p> <p>Recharge with the perfect cuppa and reflect on the most useful insights gleaned throughout your day: What are you planning to change for you, your business and your clients? How will you shape the future as a result of the conversations you had?</p>
4.05pm-4.25pm	<p><b>LIGHTNING TALK – IN THE CLIENT’S CHAIR: UNEARTHING DISRUPTIVE IDEAS, CHANGING MINDSETS AND ALIGNING OUTCOMES</b></p> <p>Hear from Panasonic’s associate general counsel Bea Miyamoto, who will talk about client expectations, aligning purpose and moving to bigger-picture outcomes. In an insightful and stimulating session, Bea will share her view on generating disruptive ideas and changing mindsets while addressing key challenges in legal today, from building a truly diverse legal industry to designing legal fee models that achieve everyone’s goals.</p> <p><i>Bea Miyamoto, associate general counsel, Panasonic</i></p>
4.25pm-4.30pm	<p><b>WRAP UP</b></p> <p><i>Richard Brent, editor-in-chief, Briefing</i></p>
4.30pm onwards	<p><b>DRINKS</b></p> <p>Powered by:  <b>introhive</b></p>
