

Briefing

LIVE

Legal leaders from across the UK gathered at Briefing LIVE to discuss challenges, swap solutions, and collaborate on imagining the future of the business of law.

Our March 2022 event was attended by leaders from across the legal industry who were looking to collaborate and share knowledge. It was by challenging the status quo, identifying new ideas, and exploring untapped potential that they gained new insights.

TESTIMONIALS

Clyde & Co
Chief operating officer

“I thoroughly enjoyed attending my first face-to-face event in nearly two years and re-establishing connections. Rather than being presented to, it was a great format for the day to have active roundtable discussions with peers, to share experiences and learn from each other. It will be a pleasure to attend the next event.”

Mills & Reeve
Head of client care

“The event was really enjoyable and so nice to be back in the same room as people. The agenda and keynote speakers were excellent.”

Brodies
Head of business analysis

“The Briefing conferences are always a worthwhile investment of our time and the newly launched Briefing LIVE conference was no exception. I thoroughly enjoyed engaging in meaningful discussion with peers and gaining thought-provoking

TOPIC AREAS COVERED

We asked our delegates to design their day, and they did exactly that ...

Featuring:

- Exploring the importance of resilience, endurance and purposeful leadership in the face of the most urgent challenge of our time: climate change
- The real potential for sustained growth in our economic climate. Unearthing the biggest risks from marketplace to geopolitical disruption
- Future-proofing our law firms – from navigating the war for talent, to salary inflation, catering for wellbeing and enabling social mobility
- A legal leader at multinational Panasonic discusses client expectations – from building a truly diverse legal industry to designing legal fee models that achieve everyone's goals
